REVIVE YOUTH AND FAMILY SERVICES

2578 N Martin Luther King Jr. Drive
Milwaukee, WI 53212.-

Dear Hiring Manager,

I am Miguel Angel Rojas Andaluz, and I am applying for the position of Youth Development Specialist.

I not only meet the requirements that the position demands, but I fully identify with your commitment to bring welfare to the lives of youth and families to whom your organization gives them a strong support.

I find your mission inspiring, and I would appreciate it if you give me the opportunity to be part of your organization to contribute with my bit, from the position to which I am applying, to assist the young people who are in the care of the Revive Youth and Family Services in your residential programs.

Regarding my last job at Northern Rivers in Albany, NY, I applied and was selected, but I had to resign before the month ended due to family reasons that required me to move to Milwaukee.

I'm only now starting to try to re-enter the job market, and I consider the opportunity offered by Revive Youth and Family Services to be valuable.

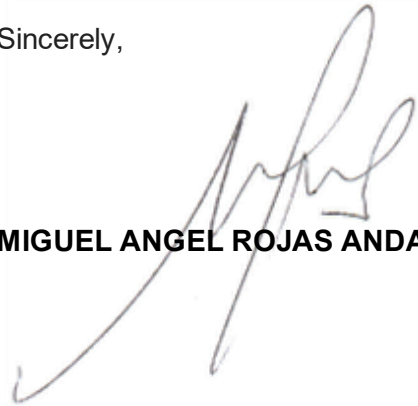

It is very important to say, in relation to the position I am applying for, that I have completed and passed the following courses when I worked at Berkshire Farm Center & Services for Youth:

- TCI (Therapeutic Crisis Intervention, 4 Day course);
- Diversity, Equity, Inclusion and Belonging;
- Red Cross Certification (it has expired but it is not a problem to renew it);
- Health Services Learning Center (HSLC) Sex Trafficking;
- HSLC Human Trafficking;
- HSLC Mandated Reporter;
- HSLC Supporting Normative Experiences;
- Information Technology Security;
- Justice Center Code of Conduct;
- OSHA;
- HIPAA;
- Attachment, Development, Trauma, and Socio-Cultural Responsive Interventions for Young Children;
- Culture, Development, Trauma, and Socio-Cultural Responsive Intervention with Youth Ages 7 and Older;

- Culture, the Migration Journey, Trauma and Assessment;
- Culturally Responsive Approaches to Serve Latin American Youth Who Experience Traumatic Separation;
- Distracted Driving; and
- Defensive Driving.

Thank you very much for your consideration, I have attached my resume for your perusal, and if I can provide any additional materials to help you evaluate my application, please do not hesitate to contact me.

Sincerely,
