**Re:** Application for Youth Development Specialist- (Weekends)

To whom it may concern

I wish to apply for the role of Youth Development Specialist (Weekends), currently being advertised on your website. Please find enclosed my CV for your consideration.

As you can see from my attached CV, I have over ten years' experience in education and coaching. Having worked my way up to Varsity Head Girls Basketball Coach, I'm ready for a new challenge in education and youth development and I see this position as the perfect role to help me achieve this.

I'm particularly interested in working with special needs youth and students between the ages of 8-18, because of my passion for teaching and coaching, something I've had extensive experience of during my time with the City of Dallas Parks and Recreation and Bishop Dunne Catholic School. Further, I feel that I have achieved all that I can in my current industry.

Throughout my previous positions I implemented traditional and non traditional education enrichment classes. For example, Working for the City of Dallas, I visited over 30 public schools and taught after school sports classes to traditional and non traditional students, i.e. Dallas Can Academy. I believe that this experience, coupled with my excellent interpersonal and organizational skills, make me the perfect candidate for building a long-term career in this role.

In my previous role as a Varsity Head Girls Basketball Coach, I was responsible for managing relationships with the coaching staff, parents students and community such as development and implementation of a middle school basketball training program, off season workouts and school AAU teams, and my teams resulted in an 50% increase in games won. Despite being in a different industry, I am confident that I can bring this level of success with me to your organization and help Revive build upon their reputation as one of the biggest names in the US.

Thank you for your time and consideration. I look forward to meeting with you to discuss my application further.

Yours sincerely,

Von McDade
