Professional Summary

My name is Danielë, Currently I'm self employed as a freelance bartender and management consultant. I am a single mother of one daughter in kindergarten, looking for a job during school hours preferably remote but not required. Available every other weekend, and every day From 8:00am 4:00pm, schedule does have some flexibility given proper notice, looking for a job that will allow me to be more active in my Daughter's life while still making me feel fulfilled and motivated. I have a lot of experience in different fields and work based skills, and have been recognized as a hardworking, quick learning, dedicated professional, who maintains a warm and friendly professional attitude with Beyond Excellent group working and leadership skills. I Graduated with an associates in Art from Pensacola Community College, with a minor in business administration/management, and technical certification's in CNA, CBRF, AFH, Emergency services and living programs, group living and care, and management programs; as well as skilled nursing through Moraine Park Technical School. Currently between majors working on prerequisites, as I decide what profession I want to pursue after 2 years in college for children's Development and Psychology. Graduated early and voted Valedictorian of 2014, Santa Rosa Adult School senior class, and Recognized as 2015 Student of the year, and Summa cum laude Honorable graduate from Milton High school. Other notable educational achievements and accomplishments: Student government Vice president and treasurer, Honors society member, Presidential Academic Award recipient in 2010, President of the Student Survivors of Abuse Network, Student support group member, Mensa Tested and IQ scored at 142, Fluent in two languages, able to communicate somewhat effectively and understand somewhat efficiently in 3 other languages, Robotics club President, Florida's Gifted students program member, Future leading Females club member, Improv team member, Soccer team captain and volunteer coach, Community Helpers club treasurer, Animal Protection and Education Club President, Model UN German Representative, And Young Readers of America president and member. Volunteer work for 10+ years in many various fields and organizations such as; Domestic violence and Abuse advocate, Human trafficking survivor support, Suicide prevention services, sales management, business administration, HR assistance, Juvenile Delinquency programs, Hospice services and care, veterinary care and assistance (mostly limited to cats, cows, horses, snakes and dogs with inservice and classroom knowledge on other animals), Canine training and working, Research and training, Bar and restaurant services, Community services and outreach programs, Billing and Financial services, Teaching, Autism and mental health services and support, children's mentoring programs, Student accommodation services, tutoring, Social media services and Marketing Management, Library and office functions, public speaking, and scheduling services; learning job skills while helping people in my community and outside of it. The Daughter of accomplished Bar owners and Director of Social work, Human Resources, and Business Administration and Management, With 13 years of experience in the bar/ Restaurant/food/ service industry, 8 years of medical experience along with five types of training and certification, 6+ years of experience in Business management and Office support as well as Human resources, Alzheimer's disease management and care, and employee management and training, and 4 years of experience in Marketing, Social Media services, Therapeutic living, Event planning, Mentoring, Mental health advocacy, Children's Advocacy, community living activities, Administrative assistance, Drug and alcohol rehabilitation, treatment, and education, MDS coordination assistance and support, Group therapy, counseling, Student guidance and support, Family support and planning, children's health services, DCF , DSS, DHS, CPS, DJJS and WIDOC services and Family support, WIDOC medical services, LGBTQ outreach, support, and advocacy, as well as community development and outreach/education programs.

I believe my diverse and inclusive experience both professionally, and civically could make me an asset to any team despite my age. I'm excited to apply and find my passion, and long term career.
