Had many experience in retail and working for a warehouse, a fast worker and will get the job done in time. Have many skills that will help in a retail field but working in a warehouse is where hard work and confidence shows.

Authorized to work in the US for any employer

Work Experience

Customer Service Associate

Walgreens - Milwaukee, WI

August 2023 to April 2024

Work on the floor restocking aisles and scanning for any items needed more of. Work register and ever since our Walgreens customer sign ups have grown of about 15%. Save over \$500 every month from service, and continue to grow as a team company.

Cashier

CVS Pharmacy - Milwaukee, WI

July 2022 to August 2023

Cashier, restocking the store, and making price changes throughout the store. Was mostly a stock person for the store which helped with my memorization, and practice moving faster in a short period of time. When doing price changes it aided for better at reading labels and finding an easier way to know where products were located in the store.

Warehouse Worker

General Mitchell International Airport - Milwaukee, WI

June 2023 to July 2023

Made deliveries to the airport concourse stores, and restocked in the warehouse. Only did this for 2 months learned a lot from my coworkers. This job provided in working better in teams and being able to communicate any problem. Able to get 3 carts of food and product done in under an hour. The warehouse associates worked well and fast with the help of each other.

Sales Associate

Party City Corporation - Brown Deer, WI

June 2022 to February 2023

Worked cashier handling cash and also maintaining balloon inflation. Dealt with impatient customers which has helped with dealing with stressful situations. The main cashier, so was excellent at remembering order and working a computer. My manager also wanted help to train new employees in working registers and the proper way of blowing up balloons. The company was thrilled with the work and was able to trust in the process.

Education

Higher education level in Medicine

Washington High School, Uwm, MATC - Sherman, TX

August 2020 to Present
